Total			20,942	6,947		1,487	440

¹The cumulative number of residents with confirmed COVID-19 obtained from data reported by individual nursing homes to the Connecticut Department of Public Health Facility Licensing & Investigations Section via a web-based COVID-19 daily reporting system.

²The cumulative number of deaths among nursing home residents is based upon data reported by the Office of the Chief Medical Examiner. For public health surveillance, COVID-19-associated deaths include persons who tested

positive for COVID-19 around the time of death (laboratory-confirmed) and persons whose death certificate lists COVID-19 disease as a cause of death or a significant condition contributing to death (probable).

³The Connecticut Department of Public Health Facility Licensing & Investigations Section routinely inspects nursing homes. Reports detailing findings and associated plans of correction for recent inspections can be found by searching for the applicable facility on the State of Connecticut's eLicense website (<https://www.elicense.ct.gov/Lookup/LicenseLookup.aspx>).
